

FULL CIRCLE CAPTION CONTEST *World Famous / Semi Regular*

Back by popular request (mostly Maddy and Matt's whining) ... it's a brand, spanking, new CAPTION CONTEST. This contests picture was provided by Maddy. You are allowed to kiss it, hug it, raise it as your own; but you are not allowed to hide it under the couch, a bushel, under a haystack (fast asleep) OR anywhere near the medallion for the St. Paul Winter Carnival! Simply send your captions to info@fullcirclemartialarts.org and we'll handle the rest.

This Caption Contests prize package includes (but is not limited to) a years supply of Cheeze Whiz (or 1 can of the stuff, which ever is less), a pocket lint comb, the entire congressional record (1789 – Present) annotated, several ducks, a New York Loft Apartment (rent controlled), a house in the Hamptons, summer home on the French Riveria, a little grass shack on an island in the Carribbean, a vintage Austin Healy roadster, Orange County Choppers chopper and set of ivory choppers for your old age.

****NOTE**** Prizes subject to change without notice.

So, without further ado ... hhheeeeerrrrreeeeesssss
